

LIST OF ARTICLES, PAPERS, AND PUBLICATIONS.

NO.	DATE	TOPICS	INSTITUTION & PUBLISHER	Notes
(1)	(2)	(3)	(4)	(5)
001	February, 1972	"Water Resources and Irrigation Technology", Diktat Training moduls on water resources and irrigation engineers, for the inter-related agencies withing the province of Lampung, southern Sumatra. (Presented in Indonesian Language)	Public Works Services of Lampung Province	Technical Modules for Irrigation and water resources Training
002	November, 1974	Guideline for periodical draining and maintenance of the Way Seputih Irrigation Scheme (World Bank Project). Presented in Indonesian Language.	Public Works Services of Lampung Province	Internal publication
003	July, 1975	Irrigation Water Distribution System in Five Sub Divisions for the Way Seputih Irrigation Project, design manual and operation principles (Presented in Indonesian Language)	Way Seputih, International Development Association Project, Lampung Province	Internal publication (guidebook for irrigation design)
004	September, 1975	"Subak traditional irrigation in Bali, Problem and Perspective". A comparative study analysis between Subak in Bali, and Water User Association in Lampung Province. (In Indonesian Language)	Provincial Government of Lampung Province, Southern Sumatra	Report Analysis Comparative Study
005	November, 1975	"Strategic thinking for organizational development of Provincial Public Works Services", considering the underlying problems and constraints (Presented in Indonesian Language).	Provincial Government Administration of Lampung Province, Southern Sumatra	Discussion Material for provincial government organizational reform
006	May, 1976	"Analysis of Operation and Maintenance Costs of Irrigation Schemes. A paper for Provincial Seminar on Effective and Efficient Irrigation and Maintenance.	Public Works Services of Lampung Province	Seminar proceeding
007	November, 1976	"Problems and constraints on Irrigation Water Distribution". A paper for discussion material on Operation and Maintenance methodology of Water Resources and Irrigation Structures. (in Indonesian Language)	Public Works Services of Lampung Province	Discussion Material for Provincial Government Workshop.
008	March, 1977	"Irrigation Problems in Rural Areas", Socio-economic Analysis of Irrigation Project during the Operation and Maintenance Stage. (In Indonesian Language)	Public Works Services of Lampung Province.	Discussion Material for Provincial Government Workshop.
009	October, 1978	"Comparison of Estate and Small Holder Irrigation Projects in their Impacts on Rural Development", M.Sc. Thesis, University of Southampton, UK.	University of Southampton, United Kingdom	MSc. Thesis, 1978.
010	February, 1979	"Economic Value of Irrigation Water against Farmer Water Users. Socio-economic Analysis for testing the capacity of the farmer to pay for irrigation water, within the government constructed irrigation project. (In Indonesian Language)	PRISMA, Monthly Magazine on Socio-economics, Jakarta. LP3ES No.7, Jul. 1979	An Article Published in March, 1979
011	March, 1979	"Population Resettlement Model for Small Holding Farmers under Irrigation Development Project. Socio-economic, agricultural, and analysis approach in irrigation development project. (In Indonesian Language)	PRISMA, Monthly Magazine on Socio-economics, Jakarta. LP3ES No.7, Jul. 1980	An Article Published in July, 1980
012	July, 1979	Experiences on Tertiary Irrigation Development in the Province of Lampung". A paper for Discussion Material on Tertiary Irrigation Development with the Indonesian Minister of Public Works. (In Indonesian Language)	Ministry of Public Works	Discussion Material for Ministry of Public Works Workshop.
013	September, 1981	"Irrigation as an Important Agricultural Infrastructure", Would it be distributed to the farmer on the free of charge basis? (In Indonesian Language).	Construction Guidance Project on Water Resources (CGSC), Dit Gen of Water Resources MPW.	Internal publication
014	February, 1982	"Development of Tertiary Irrigation Schemes for Small Land Holders In Transmigration Areas", with Particular Reference to Transmigration Areas in Lampung Province, Indonesia.	Columbia Pacific University California, USA (Correspondence Study for Postgraduate Degree)	PhD Thesis, 1980
		"Common problems of Construction Supervision of		Discussion Material

LIST OF ARTICLES, PAPERS, AND PUBLICATIONS.

NO.	DATE	TOPICS	INSTITUTION & PUBLISHER	Notes
(1)	(2)	(3)	(4)	(5)
015	October, 1983	Water Resources and Irrigation Project ", A Field Analysis on Construction Supervision of Water Resources and Irrigation Project. (In Indonesian Language)	CGSC, Japan International Cooperation (JICA) Project.	for Workshop on Construction Supervision.
016	April, 1986	"The Role of Training in Capacity Development for Construction Supervision of Irrigation Projects" (In Indonesian Language).	Technical Information Journal No. 1/1986	An Article, Published in April, 1986
017	January, 1987	"Model of Sand Plug Opening Device". Model of River Estuary Flood Control Structure. (In Indonesian Language).	Technical Information Journal No. 2/1987	An Article, Published on January, 1987
018	November, 1987	" <i>Embung</i> (Traditional Water Pond) Development Project" (As a new Breakthrough for Appropriate Irrigation Technology. (In Indonesian Language).	Technical Information Journal No. 3/1987	Published on November, 1987
019	November, 1987	" <i>Embung</i> (Water Pond) Technology", As a new Breakthrough for Appropriate Irrigation Technology. (In Indonesian Language).	KOMPAS, A Leading National Daily Newspaper	Published in November, 1987
020	December, 1987	"An Outline Review of Report Writing Technique" Lecture material for Technical Training under the Technical Cooperation Amongst the Developing Countries (TCDC).	TCDC Project, MPW, JICA and Ministry of Foreign Affairs, Indonesia.	Training Module for Senior Irrigation and Water Resources Engineer (TCDC)
021	February, 1988	"Analysis of Interconnected Decision Areas", as the determinant factor in Water Resources and Irrigation Construction Project. (In Indonesian Language)	Technical Information Journal No. 4/1988	Published on February, 1988
022	March, 1988	"Post Construction Problems of the New Established Irrigation Scheme and its Development Perspective" (A Hypothetical Projection from the Past Years Experiences)	Technical Information Journal No. 5/1988	An Article Published in March, 1988
023	March, 1989	"Development of Tertiary Irrigation Schemes Under" The Small Land Holding Condition.	Technical Information Journal No. 6/1989	An Article Published in March, 1989
024	March, 1989	"Featuring the International Training Course in Irrigation Engineering".	Technical Information Journal No. 6/1989	An Article Published in March, 1989
025	September, 1989	"Field Water Requirement Impacts on the New Irrigation Areas"	Pentech Press Limited Graham Lodge, Graham Road London NWP 3DC	An Article in Ryzdewski, Irrigation, Theory & Practice, 1989
026	October, 1989	"Teaching Technique for Adult Education", (in Indonesian Language)	CGSC, Japan International Cooperation (JICA) Project.	Training Module for Trainers on Irrigation and Water courses
027	March, 1990	"Irrigation canal made of plastic bag" (as a breakthrough in appropriate irrigation technique)"	Technical Information Journal No. 7/1990	An Article Published in March, 1990
028	October, 1990	"Land Reclamation and Transmigrant Farmer", A seminar Paper to represent the University of Manitoba, Canada.	Bowling Green State University, OHIO, USA	Seminar Proceeding 1990.
029	May, 1991	"Economic Value of Irrigation Water for Transmigrant Farmers in Southern Sumatra, Indonesia"	Technical Information Journal No. 8/1991	An Article Published in May, 1991
030	December, 1991	"Feasibility of Curbside Recycling of Municipal Solid Wastes in Winnipeg, Canada"	University of Pennsylvania, USA	Seminar Proceeding 1991.
031	August, 1992	"Social Engineering in Irrigation Development" (In Indonesian Language)	Technical Information Journal No. No. 9/992	An Article Published in August, 1992
032	September, 1993	Irrigation Water Requirement and Management for the Newly Developed Irrigated Agricultural Lands"	Technical Information Journal No. 10/1993	An Article Published in September 1993
033	September,	The Irrigation Based Transmigration Resettlement from the view point of Socio Economic Adaptation	Technical Information Journal No. 10/1993	An Article Published in No. 10

LIST OF ARTICLES, PAPERS, AND PUBLICATIONS.

034	September, 1993	The Irrigation Based Transmigration Resettlement from the view point of Socio Economic Adaptation (Part-2)	Technical Information Journal No. 11/1993	An Article Published in No. 11 September 1993
035	December, 1993	"Land Development and Transmigrant Farmers in Southern Sumatra, Indonesia"	International Organization for Migration, Geneva, Switzerland	An article in International Migration Vol.XXXI No. 4/1993
036	December, 1993	"Effect of High Initial Water Requirement on the New Irrigation Development".	International Training Course in Irrigation and Drainage (TCDC Program), JICA, MPW, Foreign Affairs	Training Module for Senior Irrigation and Water Resources Engineer (TCDC)
037	January, 1994	"Water Management: Indonesia's Experience on Subak Irrigation System"	CANADA-FUNDING ASEAN Agricultural Development Centre, Bangkok Thailand	Article in Seminar, Presented on 11 January 1994 and published in the Proceeding, 1994
038	March, 1994	"Integrated Water Resources Management"	Public Works Monthly Magazine, Special Edition No. 03 Th. 1994/ XXVII	An Article, published in March 1994
039	March 1994	"Water Resources in Our Blue Planet", From the Perspectives of Prosperity and Disaster. (In Indonesian)	Ekonomi Neraca, National Leading Economic Daily Newspaper	Published in 3 days Consecutively 29, 30 and 31 March, 1994
040	July, 1994 (?)	"Subak Traditional Irrigation System in Bali, A systematic and holistic based irrigation Based Agricultural Heritage" (In Indonesian Language)	Public Works Monthly Magazine, Special Edition No. 04 Th. 1994/ XXVII	An Article published in July 1994
041	September, 1994	"Information System of Irrigation Construction, for monitoring and reporting of Project implementation" (in Indonesian Language)	Center for Training and Education, Ministry of Public Works.	Training Module for Senior Irrigation and Water Resources Engineer (PIP)
042	September, 1994	The Role of ICID for Encouraging Engineer's Participation in Appropriate Irrigation Technology", A paper for discussion material on "Appropriate Technology" (in Indonesian Language)	Jene Berang River Development Project, Makassar.	An Article for Discussion in a Workshop
043	December 1994	"Integrated Water Resources Planning through Modern and Environmentally Friendly, and Water Saving Approach" (in Indonesian Language)	Annual Technical Meeting of HATHI in Cirebon, West Java, Des. 1994	Article in Seminar Proceeding, 1994
044	January 1995	"Decision Technique in Planning of Water Resources Management Project. (In Indonesian Language) (in Indonesian Language)	Center for Education and Training, Ministry of Public Works, Training Program for W.R. Development	Published internally and distributed to the course participants
045	April, 1995	"The successful Dimension of Privatization of Irrigation Management in Mexico", Is it Possible in Indonesia?" (in Indonesian Language)	Public Works Monthly Magazine, No. 04 /1995 PU	An Article published in April 1995
046	January, 1996	Optimization of Water Allocation for Sustainable Development	International Seminar: Japan International Cooperation Agency and Ministry of Public Work, Jakarta 16-17 January, 1996.	A Paper, Presented in January 17 th , 1996, and published in the Proceeding
047	March, 1996	"Participatory Irrigation Management in Indonesia" A Seminar Paper for INPIM Seminar" (in Indonesian Language)	Director General of Water Resources Development, MPW and EDI, the World Bank	An Article for Discussion in INPIM Workshop, 1996.
048	November, 1996	"Water Resources Development and Management" A Paper for International Symposium: "Comparative Research on Hydrology and Water Resources in Southeast Asia and the Pacific Regions"	Asia and the Pacific Symposium on comparative Research on Hydrology and Water Resources" Organized by National Institute of	Presented as a Keynote Address. 18 November 1996.

		Future Potency	Conference, 1999	published in the proceeding.
062	October, 2000.	Water Resources Management from the Perspective of Democratization, and as an Instrument toward Regional Autonomy. (in Indonesian Language)	Annual Technical Meeting of HATHI in Pontianak, West Kalimantan, October 18-19, 2000	A main Paper Presented in the Seminar on 18 October 2000, and published in the proceeding.
063	November, 2000	Water Conservation in Indonesia: An Overview of Experiences, Problems, and Perspectives.	Ad-Hoc Expert Group Meeting on Water Use Efficiency and Conservation, UN-ESCAP, 6-10 November, 2000 Pattaya, Bangkok Thailand.	A policy Paper presented at the Pattaya Hall, Bangkok, Thailand on 7 th November 2000.
064	November, 2000	A Dilemmatic Overview of Food Security and Sustainable Land and Water Resources Environment.	Congress and Seminar of INACID, 16-17 November 2000, at Hotel Salak, Bogor West Java Indonesia.	A Paper presented on 16 th November 2000, and published in the proceeding.
065	March, 2001	Water Resources Management from The Perspective of Local Government Income, as Supporting Instrument of the Success of National Development (in Indonesian Language)	National Seminar: Indonesian Student Association of Water Resources Engineer (IMKI), Malang East Java,	A paper presented as a keynote address on the National seminar, 19 th March, 2001, and published in the proceeding.
066	March, 2001	Perspective of Development and Management of Water Resources for Environment and people Prosperity, in the context of Local Autonomy toward The new Millennium.	Ministry of Public Works, and the Water Resources Development Related Agencies, Panel Discussion on the Occasion of the 2001 WW Day.	A paper presented on a Panel Discussion March 22 nd (world Water Day), and published in the proceeding.
067	March, 2001	The Adverse Impacts of Extreme Climate Events and Physical Deterioration of Watersheds on Sustainable Management of Water Resources.	International Hydrological Programme, UNESCO Jakarta Office. Asia-Pacific Workshop on Ecohydrology, Cibinong, Bogor, Indonesia 20-22 March, 2001	A paper presented as a Main paper in the workshop on March 20, and published in the proceeding.
068	July, 2001	Perspective of Global and National Water Resources Policy and its Implication on Development and Management of Irrigation and Drainage in Indonesia (In Indonesian Language)	INACID One Day Seminar on the occasion of formal establishment of INACID Provincial Office in Lampung Province. Sumatra, 7 th July 2001	A policy paper presented as a Main paper in the Seminar on July 7 th 2001, and published in the proceeding.
069	August, 2001	"Efficient Irrigation Management"	Seminar on Appropriate Technology in 2001, ARDEC, and JIID, Tokyo, Japan. August 21-September 2, 2001	A paper presented on the Seminar on 29 th August 2001, and published in the proceeding.
070	September, 2001	Water Resource Management by means of Conjunctive Use between Surface and Ground Water (with Special reference to JABOTABEK Area). In Indonesian Language.	HATHI, DGWRD, MPW Panel Discussion on Conservation of Water Environment 20-September, 2001	A paper presented as a panelist on 20 th September 2001, and published in the proceeding.
071	October, 2001	Water Conservation in Indonesia: A Comprehensive Survey on Water Conservation Policies and	"Training and Workshop on Water Conservation Policies, organized by	Publish internally as Workshop Material, but

		Practices.	ESCAP and RIWR, Ministry of Settlement and Regional Infrastructures.	presentation was cancelled due to the impact of September 11 th incident.
072	November, 2001	A General Overview of Decision Support System for Water Resources Planning and Management in Indonesia	Research and Development Journal of Water Resources Development, Volume 5 No. 47 November 2001. Ministry of Public Works	Published on Journal of Water Resources Development, Volume 5 No. 47 November 2001.
073	March, 2002	Policy of Research and Development Center, Ministry of Public Works in Mitigation of Sediment And Water Related Disasters. (In Indonesian Language)	JICA, DGWRD, MPW & JICA. National Symposium on Mitigation of Sediment Related Disaster, Yogyakarta, 12 th March, 2002	A policy paper presented as the keynote address in the Symposium (Yogyakarta) on 12 March 2002, and published in the proceeding
074	March, 2002	Contribution of Water Resources Sector within the Era of Local Government Autonomy (In Indonesian Language)	National Seminar on Optimalization of Water Resources for Enhancing Synergy and Sustainability Indonesian Student Association of Water Resources Engineering, Malang, 19 th March, 2002	A paper presented in the Seminar on 19 th March 2002, and published in the proceeding
075	March, 2002	Water Allocation and Distribution at Wet Lowland In Citarum River, is technically Dependent upon The Water Availability (In Indonesian Language)	A One Day Seminar on Basin Conservation of Wet Lowland in Bandung Plain, Katur Nagari Foundation, Bandung, West Java Province.	A Paper presented on 30 th March 2002, and published at the proceeding
076	April, 2002	Present State, Development and Institutional Arrangement of Participatory Irrigation Management in Indonesia	INPIM The Sixth International Seminar on Participatory Irrigation Management, Beijing PR China, 20-27 April 2002.	A Paper presented on 20 th April 2002, and published at the PIM Seminar proceeding
077	July, 2003	Development and Management of Water Resources from the Context of Infestation in the Sector of Water, Agribusiness, Agro Industry, Agro-tourism, and Environmental Conservation. (in Indonesian Language)	Soppeng, South Sulawesi, Local Government Seminar Theme: "Perspective of Development of Soppeng Regency for Enhancing Regional Autonomy"	Presented as a Keynote Address, 1 st July 2003; and published in the seminar proceeding.
078	August, 2003	Integrated Basin Water Resources Management on the Basis of River Basin Territories. (in Indonesian Language)	Education and Training Institute, Ministry of Public Works. Study on Actual Training Needs for Water Resources Staff, Ministry of Public Works.	Technical Modules for Irrigation and water resources Management Training.
079	September, 2003	Integrated Basin Water Resources Planning on the Basis of River Basin Territories. (in Indonesian Language)	Education and Training Institute, Ministry of Public Works. Study on Actual Training Needs for Water Resources Staff, Ministry of Public Works.	Technical Modules for Irrigation and water resources Management Training
080	November, 2003	Conjunctive use of Surface Water and Groundwater Sources: With Special Case of Jakarta-Bogor-Tangerang-Bekasi (JABOTABEK) Metropolitan Area, Indonesia.	Asian Regional Workshop of ICID, November 10-12, Grand Hotel, Taipei	An article, published in the Proceeding, and presented on 10

				November 2003.
081	January, 2004	Prospective Development and Management of Irrigation and Drainage in the Asian Region toward the Approaching Decade. (Review of Asian Regional Workshop for Irrigation Perspective of Irrigation staff in Indonesia). In Indonesian Language.	Directorate General of Water Resources, Ministry of Public Works; Adapted from Asian Regional Workshop of ICID, 10-12 December 2003.	A Review article, of Asian Regional Workshop, Taipei, Taiwan, Presented in Several Indonesian events, January – March 2004.
082	September, 2004	Principle and Implementation of Irrigation Operation and Maintenance. (in Indonesian Language)	Education and Training Institute, Ministry of Public Works. Study on Actual Training Needs for Water Resources Staff, Ministry of Public Works.	Technical Modules for Irrigation Operation and Management Training
083	October, 2004	A Strategy for Enhancement of Community Awareness in Water Resources Development and Management. (In Indonesian Language) A Strategy Paper for Public Awareness Campaign in Water Resources Development and Management,	Directorate General of Water Resources, Ministry of Public Works.	Presented in several Occasions between October and December 2004.
084	September, 2005	Water Resources toward Globalization Era: From the Perspective of Hydrology, Decentralization, and Democratization within the Underlying Issues of Privatization and Water Use Right. (In Indonesian Language)	<i>Journal Konstitusi</i> (constitution Journal); Indonesian Constitutional Court Journal. Volume 2 Number 2 September, 2005.	An Article, Published as an explanatory support of the Judicial Review of Indonesian Water Law No. 7/2004.
085	September, 2005	Multi-functional Roles in Social, Cultural and Religion Perspective of Irrigation Water: Bali Island, Indonesia. (Published in the Workshop International Proceedings)	Asian Regional Working Group of ICID, 56 th Meeting of ICID, Beijing, P.R. China.	An article, presented on 14 th September 2005, and published in the Proceedings.
086	September, 2005	Lessons Learned from The Course of Irrigation History of Indonesia.	19 th Congress of ICID.; Seminar, Management of Historical/Traditional Irrigation Project. Beijing, P.R. China.	An article, published in the Seminar Proceeding, Presented on September 12, 2005.
087	November, 2005	Sharing the River for Irrigation, Industries, livelihoods, and Water Ecosystem within the Integrated Basin Water Resources Management Entity.	INWEPF 2 nd Steering Meeting and Symposium on The Water and Environment in Paddy Fields. November 2-4, 2005, Seoul, Korea.	An article, published in Proceeding, and presented on 3 rd November 2005.
088	November, 2005	Multi-functionality roles of Agricultural Water: With Particular Reference to Irrigation on Small Land-holding and Traditional Paddy Irrigation in the Urban Hinterland of Java and Bali Island, Indonesia..	INWEPF 2 nd Steering Meeting and Symposium on The Water and Environment in Paddy Fields. November 2-4, 2005, Seoul, Korea.	An article, published in Proceeding, and presented on 3 rd November 2005.
089	May, 2006	PARTICIPATORY IRRIGATION MANAGEMENT UNDER THE SMALL LAND OWNERSHIP CONDITION: With A Special Reference to Indonesian Practice, A Seminar Paper with the theme: "Participatory Irrigation Management", Organized by the Iranian National Committee of ICID (IRNCID) , Tehran - Iran, May 2 – 5 May 2006.	The 4 th Asian Regional Conference of ICID and the 10 th International Seminar on Participatory Irrigation Management (PIM),	A paper, published in the proceeding, presented on May 3, 2006.
090	June, 2006	Water Resources Technology Along the Time Passage of Human Civilization. (In Indonesian Language)	Irrigation Journal Volume 1 No. 1 of June, 2006. Research Station for Irrigation, Ministry of Public Works.	An Article, published in Irrigation Journal, in two issues; of June, and
